

Calling All Affiliate County Coordinators

Help KYCAN serve the needs of consumers across the state. Being a County Affiliate means being a vital part of the consumer movement in the state of Kentucky. County Affiliates are contact people, so that KYCAN can better meet the needs of consumers on a local level. County Affiliates sign up new members, pass out information to peers about recovery, and have opportunities to earn money by teaching BRIDGES education, other classes, or facilitating groups as grants are available. Become a County Affiliate today by filling in your information and sending it to us. KYCAN is **ALWAYS** ready to expand their peer service work!!!

YES! I want to become a KYCAN County Affiliate

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____

County: _____

If you would like to know which counties have no affiliates within them, click on our C.M.H.C Info link, and view the CMHC map via the link below the CMHC centers and counties - Any county not shaded in color has no Affiliate County Coordinator.
